Sipario Vaso 

**NARDI** **CATAS** 

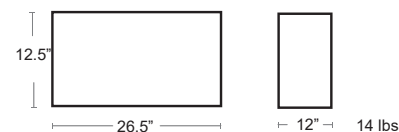

Modular Partition wall system • Polypropylene resin • Self watering planter • UV Protected  
GREEN GOOD DESIGN AWARD 2021

The Nardi Regeneration industrial program is creating a line of outdoor furniture specifically dedicated to regenerated plastic products, made of post-industrial and post-consumer polypropylene, which can in turn be recycled.

The uneven colour that changes into various shades of brown is not a defect but a specific feature of recycled plastic.

We call the color Terra, the natural colour of earth
